

Environmental Policy Statement

The Town of Leesburg is committed to the effective stewardship of the environment and promoting its protection.

To demonstrate this commitment to its citizens, the Town of Leesburg will:

-  Meet or exceed all applicable environmental laws, regulations, and municipal standards.**
-  Educate and train employees for enhanced environmental performance and increased awareness of environmental issues.**
-  Improve environmental performance continually through self-assessment, and by responsibly correcting conditions that are potentially harmful to the environment.**
-  Develop and periodically review environmental objectives and targets as part of maintaining the town's environmental management system.**
-  Promote the education of all citizens in the awareness of environmental issues and prevention of pollution.**
-  Encourage the use of sound environmental principles and practices by all town citizens, vendors, local businesses, industries, and utility customers.**
-  Respond to the concerns and suggestions of the citizens of the Town of Leesburg concerning environmental issues.**
-  Develop and maintain procedures for promptly and effectively dealing with environmental emergencies.**
